### The 7 Synonymous Terms for God: Symbols of the dimensional translatability of God

(Audio code: D-3)

©1969, 2005 Kappeler Institute for the Science of Being

AUDIO RECORDING NUMBER/SIDE	RECORDING SUBJECT
1-A	<p><b>Introduction:</b> Our starting point is the One Being, which includes all that is of its harmonious nature.</p> <ul style="list-style-type: none"><li>▪ How do we experience this harmony?</li><li>▪ What constitutes the nature of Being?</li><li>▪ Mrs. Eddy saw that Principle and idea <i>is</i> one, and this is a step forward from the Bible</li></ul> <p><b>Mrs. Eddy's discovery of the seven synonymous terms as the definition of God (<i>S&amp;H</i> 465:10)</b></p>
1-B	<ul style="list-style-type: none"><li>▪ synonym defined</li><li>▪ The only reality is Principle and idea.<ul style="list-style-type: none"><li>– The nature of idea: the power of the idea is the power of the infinite One</li></ul></li></ul>
2-A	<p><b>God/Man - Principle/Idea</b></p> <ul style="list-style-type: none"><li>▪ Going beyond man, the 6<sup>th</sup> day of creation, to the 7<sup>th</sup> day, where the infinite knows only the infinite, and man is only the symbol for Life, Truth, Love knowing itself.</li><li>▪ Each synonym depicts the infinite in another way, through its characterizing ideas, and this is the basis of Science.</li></ul>
2-B	<ul style="list-style-type: none"><li>▪ matter/consciousness</li></ul> <p><b>Overview of the fourfold operation of Being:</b> W, X, Xty, Sc from the Bible to <i>S&amp;H</i>, the Science of Being, which demands a consciousness which is one with the synonymous terms.</p>

3-A

- Each synonym takes on a different office within each W, X, Xty, Sc, giving them breadth;
  - and dimensionally: Science itself, divine Science, absolute Christian Science, and Christian Science, giving them depth,
  - going from the linear to structural thinking, where one can calculate any point within the whole, to the cybernetic system

**The levels of Science explained:**

3-B

- Sc itself
- dSc
- dSc continued
- aCS
- CS
  - Without the structure or grid of the 7 synonyms, the four-fold operation, and the four levels of Science, *S&H* cannot be understood.

4-A

**The synonyms from the standpoint of structure  
Synonyms on the Science itself level**

- Principle: the infinite one Principle, God

4-B

**Synonyms on the divine Science level, oneness of Li, T, Lo, dP/Lo**

5-A

- Life – W/dSc  
...continued
- Truth – X/dSc (practice at this point)
- Love – Xty/dSc
  - Three great questions:
  - What is the nature of God, of reality?
  - How do I become one with it?
  - Do I accept the co-existence of Principle and idea?

5-B

- divine Principle/Love

6-A

- ...continued
- practice on the level of dSc
- comparing dSc/aCS – the “City Foursquare”/four cardinal points

6-B

**Synonyms on the level of absolute Christian Science**

- revelation
- Life, Truth, Love – W/aCS
- practice with the law of Li, T, Lo

- 
- 7-A
- laws on the level of aCS deal with the relationship between Principle and ideas
  - Truth, Life, Love – X/aCS
  - Life, Love – Xty/aCS
  - Truth, Love – Sc/aCS
- 7-B
- Synonyms on the level of Christian Science**
- why M, Sp, and So are introduced on this level.
- 8-A
- Explanation of the synonyms on the level of Christian Science**
- how M, Sp, and So allow us to be in the world, but not of it; therefore to avoid “chemicalization” or being mystics
    - Mysticism tries to demonstrate dSc, oneness, without the basis of CS, or the handling of error.
- The four orders of the synonyms on the level of Christian Science**
- the Word-order
  - the Christ-order
- 8-B
- ...continued
- the Christianity-order
  - the Science-order

---

ABBREVIATIONS

M, Sp, So, P, Li, T, Lo	= Mind, Spirit, Soul, Principle, Life, Truth, Love
dP-Lo	= divine Principle, Love
W, X, Xty, Sc	= Word, Christ, Christianity, Science
Sc, dSc, aCS, CS Science	= Science itself, divine Science, absolute Christian Science, Christian Science
M/M - M/Lo	= Mind as Mind (through the 7) to Mind as Love
<i>S&amp;H</i>	= <i>Science and Health with Key to the Scriptures</i> , by Mary Baker Eddy
<i>Mis.</i>	= <i>Miscellaneous Writings</i> , by Mary Baker Eddy
